United Nations S/RES/1816 (2008)*

Security Council

Distr.: General
2 June 2008

Resolution 1816 (2008)

Adopted by the Security Council at its 5902nd meeting on 2 June 2008

The Security Council,

Recalling its previous resolutions and the statements of its President concerning the situation in Somalia,

Gravely concerned by the threat that acts of piracy and armed robbery against vessels pose to the prompt, safe and effective delivery of humanitarian aid to Somalia, the safety of commercial maritime routes and to international navigation,

Expressing its concerns at the quarterly reports from the International Maritime Organization (IMO) since 2005, which provide evidence of continuing piracy and armed robbery in particular in the waters off the coast of Somalia,

Affirming that international law, as reflected in the United Nations Convention on the Law of the Sea of 10 December 1982 ("the Convention"), sets out the legal framework applicable to combating piracy and armed robbery, as well as other ocean activities,

Reaffirming the relevant provisions of international law with respect to the repression of piracy, including the Convention, and *recalling* that they provide guiding principles for cooperation to the fullest possible extent in the repression of piracy on the high seas or in any other place outside the jurisdiction of any state, including but not limited to boarding, searching, and seizing vessels engaged in or suspected of engaging in acts of piracy, and to apprehending persons engaged in such acts with a view to such persons being prosecuted,

Reaffirming its respect for the sovereignty, territorial integrity, political independence and unity of Somalia,

Taking into account the crisis situation in Somalia, and the lack of capacity of the Transitional Federal Government (TFG) to interdict pirates or patrol and secure either the international sea lanes off the coast of Somalia or Somalia's territorial waters,

* Reissued for technical reasons.

08-36177* (E)

Deploring the recent incidents of attacks upon and hijacking of vessels in the territorial waters and on the high seas off the coast of Somalia including attacks upon and hijackings of vessels operated by the World Food Program and numerous commercial vessels and the serious adverse impact of these attacks on the prompt, safe and effective delivery of food aid and other humanitarian assistance to the people of Somalia, and the grave dangers they pose to vessels, crews, passengers, and cargo,

Noting the letters to the Secretary-General from the Secretary-General of the IMO dated 5 July 2007 and 18 September 2007 regarding the piracy problems off the coast of Somalia and the IMO Assembly resolution A.1002 (25), which strongly urged Governments to increase their efforts to prevent and repress, within the provisions of international law, acts of piracy and armed robbery against vessels irrespective of where such acts occur, and *recalling* the joint communiqué of the IMO and the World Food Programme of 10 July 2007,

Taking note of the Secretary-General's letter of 9 November 2007 to the President of the Security Council reporting that the Transitional Federal Government of Somalia (TFG) needs and would welcome international assistance to address the problem,

Taking further note of the letter from the Permanent Representative of the Somali Republic to the United Nations to the President of the Security Council dated 27 February 2008, conveying the consent of the TFG to the Security Council for urgent assistance in securing the territorial and international waters off the coast of Somalia for the safe conduct of shipping and navigation,

Determining that the incidents of piracy and armed robbery against vessels in the territorial waters of Somalia and the high seas off the coast of Somalia exacerbate the situation in Somalia which continues to constitute a threat to international peace and security in the region,

Acting under Chapter VII of the Charter of the United Nations,

1. *Condemns and deplores* all acts of piracy and armed robbery against vessels in territorial waters and the high seas off the coast of Somalia;

2. *Urges* States whose naval vessels and military aircraft operate on the high seas and airspace off the coast of Somalia to be vigilant to acts of piracy and armed robbery and, in this context, *encourages*, in particular, States interested in the use of commercial maritime routes off the coast of Somalia, to increase and coordinate their efforts to deter acts of piracy and armed robbery at sea in cooperation with the TFG;

3. *Urges* all States to cooperate with each other, with the IMO and, as appropriate, with the relevant regional organizations in connection with, and share information about, acts of piracy and armed robbery in the territorial waters and on the high seas off the coast of Somalia, and to render assistance to vessels threatened by or under attack by pirates or armed robbers, in accordance with relevant international law;

4. *Further urges* States to work in cooperation with interested organizations, including the IMO, to ensure that vessels entitled to fly their flag receive appropriate guidance and training on avoidance, evasion, and defensive techniques and to avoid the area whenever possible;

5. *Calls upon* States and interested organizations, including the IMO, to provide technical assistance to Somalia and nearby coastal States upon their request to enhance the capacity of these States to ensure coastal and maritime security, including combating piracy and armed robbery off the Somali and nearby coastlines;

6. *Affirms* that the measures imposed by paragraph 5 of resolution 733 (1992) and further elaborated upon by paragraphs 1 and 2 of resolution 1425 (2002) do not apply to supplies of technical assistance to Somalia solely for the purposes set out in paragraph 5 above which have been exempted from those measures in accordance with the procedure set out in paragraphs 11 (b) and 12 of resolution 1772 (2007);

7. *Decides* that for a period of six months from the date of this resolution, States cooperating with the TFG in the fight against piracy and armed robbery at sea off the coast of Somalia, for which advance notification has been provided by the TFG to the Secretary-General, may:

(a) Enter the territorial waters of Somalia for the purpose of repressing acts of piracy and armed robbery at sea, in a manner consistent with such action permitted on the high seas with respect to piracy under relevant international law; and

(b) Use, within the territorial waters of Somalia, in a manner consistent with action permitted on the high seas with respect to piracy under relevant international law, all necessary means to repress acts of piracy and armed robbery;

8. *Requests* that cooperating states take appropriate steps to ensure that the activities they undertake pursuant to the authorization in paragraph 7 do not have the practical effect of denying or impairing the right of innocent passage to the ships of any third State;

9. *Affirms* that the authorization provided in this resolution applies only with respect to the situation in Somalia and shall not affect the rights or obligations or responsibilities of member states under international law, including any rights or obligations under the Convention, with respect to any other situation, and underscores in particular that it shall not be considered as establishing customary international law, and affirms further that this authorization has been provided only following receipt of the letter from the Permanent Representative of the Somalia Republic to the United Nations to the President of the Security Council dated 27 February 2008 conveying the consent of the TFG;

10. *Calls upon* States to coordinate their actions with other participating States taken pursuant to paragraphs 5 and 7 above;

11. *Calls upon* all States, and in particular flag, port and coastal States, States of the nationality of victims and perpetrators or piracy and armed robbery, and other States with relevant jurisdiction under international law and national legislation, to cooperate in determining jurisdiction, and in the investigation and prosecution of persons responsible for acts of piracy and armed robbery off the coast of Somalia, consistent with applicable international law including international human rights law, and to render assistance by, among other actions, providing disposition and logistics assistance with respect to persons under their jurisdiction and control, such victims and witnesses and persons detained as a result of operations conducted under this resolution;

12. *Requests* States cooperating with the TFG to inform the Security Council within 3 months of the progress of actions undertaken in the exercise of the authority provided in paragraph 7 above;

13. *Requests* the Secretary-General to report to the Security Council within 5 months of adoption of this resolution on the implementation of this resolution and on the situation with respect to piracy and armed robbery in territorial waters and the high seas off the coast of Somalia;

15. *Expresses* its intention to review the situation and consider, as appropriate, renewing the authority provided in paragraph 7 above for additional periods upon the request of the TFG;

16. *Decides* to remain seized of the matter.
